Education

- Senior High School – STEM Strand** 2022-2024
New Era University
Completed the STEM strand with Honors, gaining a solid background in math, science, and technology. Developed strong analytical thinking, problem-solving abilities, and foundational technical skills essential for pursuing an IT-related course in college.
- Bachelor of Science in Information Technology** 2024-2028
New Era University
Graduated with a GWA of 1.53, demonstrating strong academic performance in IT fundamentals, software development, systems analysis, and project-based learning. Built key technical and management skills that support real-world IT and project management roles.

Experience

- IT INTERN – PROJECT SUPPORT** 2027 – 2028
NextEra IT Consultancy
Assisted in UAT, workflow mapping, and feedback collection while helping prepare client presentations and project roadmaps. Maintained updated project trackers and supported various documentation tasks across multiple projects.
- ASSOCIATE PROJECT COORDINATOR** 2028-2030
MetroTech Innovations PH
Supported senior project managers in documentation, scheduling, and scope tracking while facilitating stand-ups, sprint reviews, and client meetings. Monitored KPIs through Jira and Trello, helping reduce project delays by 20%. Maintained project requirements, charters, reports, and milestone documentation.
- PROJECT MANAGER** 2030-Present
TechNova Digital Solutions
Led over 12 IT and digital transformation projects for enterprise clients, consistently delivering 94% of them within budget and timeline. Improved team efficiency by 35% through Agile practices and standardized workflows. Managed timelines, risks, sprint planning, and stakeholder communication while coordinating closely with developers, UI/UX designers, QA teams, and clients.
